DISASTER AND MEDICAL HUMANITARIAN RESPONSE SUMMER INSTITUTE 2018

POPG 5006 DISASTER AND HUMANITARIAN CRISIS 19 - 22 JUNE 2018

Faculty: Prof. Emily YY CHAN (Professor, JC School of Public Health and Primary Care, CUHK)
Mr Cheuk Pong CHIU (Nurse, Collaborating Centre for Oxford University and CUHK for Disaster and Medical Humanitarian Response)
Mr Kevin LIU (Senior Research Assistant, Collaborating Centre for Oxford University and CUHK for Disaster and Medical Humanitarian Response)

CME
accreditation
(To be applied)

Free of
Charge

This course offers an overview of the disaster management cycle and the public health and medical implications of disaster and humanitarian crisis. It aims to show how public health principles may be applied in disaster relief and how evidence-based health related humanitarian actions can be planned, implemented and evaluated.

POPG 5014 RESEARCH METHODOLOGY FOR DISASTER AND MEDICAL HUMANITARIAN RESPONSE 23 JUNE, 3 - 4 JULY 2018

Faculty: Prof. May PS YEUNG (Assistant Professor, JC School of Public Health and Primary Care, CUHK)

Participants will understand the principles of planning, implementing, and disseminating research in the context of disaster and humanitarian settings. It aims to show how public health and research principles can be applied.

POPG 5013 GLOBAL HEALTH PERSPECTIVES OF HUMANITARIAN CRISIS & HUMAN SECURITY 5 - 7, 9 JULY 2018

Faculty: Prof. Emily YY CHAN (Professor, JC School of Public Health and Primary Care, CUHK)
Dr. Nevio ZAGARIA (World Health Organisation Representative in Yemen)
Dr. Selina LO (Senior Editor, The Lancet)
Prof. Sanoj RAJAN (ICCR India Chair Visiting Professor and Visiting Scholar, Faculty of Law, CUHK)

Through various real-life case studies and practical applications, this course will provide participants with an understanding of how the human security and health security concepts are applied in public health practices, especially under emergencies and disasters.
