

Example of trainings for Overseas Training Fellowship (EM/EMS) – Non-exhaustive

The following trainings only serve as **examples** of training courses / placements that applicants can apply to. All trainings should be selected under careful consideration of the applicants. Applicants are responsible for the application of the courses themselves. HKJCDPRI ***does not guarantee*** the enrolment of these trainings for a successful application to the HKJCDPRI's overseas training fellowship in emergency medicine (EM)/ emergency medical services (EMS).

In addition, the following trainings have different duration of study. Applicants have to check their program of choice would be ***enough to fulfil the fellowship overseas training period requirement*** (2 weeks to 12 months).
